Is Your Organization Showing These Signs?

Common symptoms that indicate deeper engagement issues

Declining Productivity

Teams missing deadlines and quality issues

High Turnover

Top performers leaving the organization

Low Participation

Silent meetings and minimal feedback

Disengagement

Employees doing just enough to get by

The Gallup Q12 Survey Reveals the Truth

Research-backed framework used by Fortune 500 companies worldwide

What It Diagnoses

- ✓ Employee clarity on expectations
- ✓ Resources and support gaps
- ✓ Recognition and appreciation levels
- ✓ Professional development needs
- ✓ Team collaboration quality
- ✓ Alignment with company mission

Actionable Insights You Get

- ✓ Engagement score by category
- ✓ Specific areas needing attention
- ✓ Benchmarks against industry standards
- ✓ Priority areas for improvement
- ✓ Early warning indicators
- ✓ Trends over time (with repeated surveys)

Organizations with high engagement scores see 21% higher profitability and 41% lower absenteeism

Simple, Fast, and Confidential

Designed for maximum participation and honest feedback

3-5 Minutes

Just 12 carefully crafted questions. Quick enough to complete during a coffee break.

100% Anonymous

No names, no tracking. Employees can be completely honest without fear.

Works Everywhere

Mobile, tablet, or desktop. Clean interface that works on any device.

Modern UX

Auto-advance questions, progress tracking, and intuitive navigation.

How to Deploy

1. Create survey link
2. Share with team
3. Employees complete
4. Get results in 2 weeks
